## Mission statement

We, the Parish community of Sacred Heart, Camberwell celebrate the presence of Christ in our lives. Central and true to our name, we celebrate, we stand, and we dedicate our lives, witnessing to the unfailing love and friendship of God, through His beloved Son, in whose Heart of love we find daily strength for our journey.

We are a catholic community, diverse and multicultural. Everyone has a voice and everyone is welcome. We strive to make visible, God's love and care for the world in word, sacrament, and service to all. Nourished by the sacraments and in our diversity, we strive to create a supportive parish family that fosters communication. We use our talents as responsible stewards-accountable to God, to our neighbour, to our community and to the world at large.

Rev Fr Victor Darlington .

**Reflection: A lesson from the trees**

Not long ago the trees were loaded with golden leaves.  
Though pretty to look at, they robbed me of the world beyond.  
But now that the leaves have fallen  
I am able to look through the skeletal branches To the deep blue sky beyond.  
Teach us, Good Lord,  
How to take care of our material needs  
Without neglecting others; and how to live joyfully in this world  
Without losing sight of the world to come.

Fr. F.M. McCarthy, S.D.B

Lord, soften our hearts with your grace, open them with your gentle love, so that the precious seed of your word may take root in our hearts, and bear fruit in our lives.

**Clergy support fund.**

This is the first of two important messages about sick and retired priests and the Clergy support fund campaign which is being launched to support them.

A priest will normally retire from full time Parish Ministry when he reaches 75 years old age. Many continue to work in some ministry. When a priest resigns from his parish ministry or a full time ecclesiastical appointment the Diocesan Finance Office establishes his likely income and needs on an individual basis and ensures he has sufficient financial resources to afford the necessities of life, live in properly heated and adequately maintained accommodation and can pay for some recreation and travel.

There are currently 70 retired priests in our diocese and this number is expected to increase to about 93 by 2018. The costs of supporting them are currently met by the Diocese, partly through an annual contribution from each parish, but the increase in numbers will create more pressure on these costs. A summary of the costs, income and shortfall over the five years is available on request

Archbishop Peter Smith has therefore identified the need to continue to support sick and retired priests as a major priority for our diocese. There will be more important news about the campaign in next weeks newsletter.

**Please pray :**

**- for the Holy Father's Universal Intention for this month,** that we may be open to personal encounter and dialogue with all, even those whose convictions differ from our own.

**- for Evangelisation:** that pastors of the Church, with profound love for their flocks, may accompany them and enliven their hope.

**- For the faithful departed,** those who lost their lives in the two world wars and all those whose anniversaries occur at this time.
