Mission statement

We, the Parish community of Sacred Heart, Camberwell celebrates the presence of Christ in our lives. Central and true to our name, we celebrate, we stand, and we dedicate our lives, witnessing to the unfailing love and friendship of God, through His beloved Son, in whose Heart of love we find daily strength for our journey.

We are a catholic community, diverse and multicultural. Everyone has a voice and everyone is welcome. We strive to make visible, God's love and care for the world in word, sacrament, and service to all. Nourished by the sacraments and in our diversity, we strive to create a supportive parish family that fosters communication. We use our talents as responsible stewards-accountable to God, to our neighbour, to our community and to the world at large.

Reflection:

Change is not merely necessary to life, it is life.

Change is difficult not changing is fatal.
Alvin Toffler.

Happiness depends far more on the way we meet the events of life, rather than the nature of those events themselves.

It is not because things are difficult that we do not dare, it is because we do not dare that they are difficult.
Seneca (4BC-65AD)

The great lesson is that the sacred is in the ordinary, that it is to be found in one's daily life, in one's neighbours, family and friends, in one's backyard.
Abraham Maslow.

"Community is neither a goal nor a means. It is, rather a side-effect resulting from continued interaction between human beings. It enriches and facilitates more interaction but it must stem from and be rooted in interaction. Men must have something to do together before they can become a community and those who pursue community as an end in itself will be as disappointed as those who pursue happiness as an end in itself.
A. Greeley.
