Mission statement

We, the Parish community of Sacred Heart, Camberwell celebrates the presence of Christ in our lives. Central and true to our name, we celebrate, we stand, and we dedicate our lives, witnessing to the unfailing love and friendship of God, through His beloved Son, in whose Heart of love we find daily strength for our journey.

We are a catholic community, diverse and multicultural. Everyone has a voice and everyone is welcome. We strive to make visible, God's love and care for the world in word, sacrament, and service to all. Nourished by the sacraments and in our diversity, we strive to create a supportive parish family that fosters communication. We use our talents as responsible stewards-accountable to God, to our neighbour, to our community and to the world at large.

Blessed Cyprian Tansi

Michael Iwene Tansi was born in Nigeria in September 1903. He was sent to a mission school when he was 6 years old. He was baptised aged 9. In 1924, aged 21, he became headmaster of his old school in Aguleri village. A year later he went to the newly founded seminary to become a priest, not without much opposition from his family. He was ordained in 1937, only the second group of Nigerians to be ordained. From the moment of his ordination, and even from his time in the seminary, he combined an energetic apostolic life with a life of profound prayer and demanding personal asceticism. His care and zeal for the people committed to him in the diocese of Onitsha remains legendary to this day. Many of the traditional Catholic devotions he started remains active. His belief in the value for the local and the worldwide Church of the hidden life of prayer in a contemplative order led Fr. Tansi to leave behind his country and highly successful missionary work in Nigeria and go to England to join the Cistercian Order at Mount Saint Bernard Abbey in 1950. He was confident that prayer was the soul of the apostolate and that he would be an even more effective apostle and do more for his beloved church in Nigeria than by any amount of activity out on the mission. His dream was to establish the contemplative way of life in Nigeria and although he died before seeing his dream fulfilled, several houses have been since founded. Blessed Cyprian died in England on 21st January 1964, sadly a few day before he was due to return to Africa to introduce monastic life there. He was 61 when he died after 13 years monastic life and 27 of priestly ministry. Blessed Cyprian was beatified by Pope John Paul 11 in Nigeria in March, 1998.
